

# OJUA Spring Training Events Registration Form

## NESC 101 and NESC 201 Workshops

### April 25-27, 2023

Please complete **one registration form for each attendee**; reproduce form if needed.

**NESC 101** is a **one-day program for NESC beginners**—new to the code and/or new to the industry. Participants will receive basic instruction on the code and how to access it through the *NESC 2023 Code Book*. The day concludes with a single round of NESC Trivia to reinforce the day’s topics. **NESC 201** is a **two-day event covering the NESC Code Book for intermediate and advanced users**, including changes in the 2023 Code, industry hot topics, and NESC Trivia to reinforce the days’ instruction.
